LA STRAVAGANZA

Outside the gate lies a ferocious group of Wumba. All the troops have been forced to retreat back into the castle. They live in a state of constant fear of death.

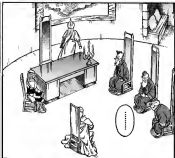

We can't afford to let this continue...

We've already lost too much by staying here.

We're going to run away.

To that purpose, we need to ask for help.

We're not abandoning Milora, we'll definitely be back.

We should follow Gesser Vivian's order.

We have other plans. We can't afford to gamble away on any more lives in the hopes of saving Milora. I won't allow it.

What do we need?

We need to prepare for the role.

Yes.

Let's get ready.

There's no sign of the Warden.

Warden.

Julie, here's the situation!

There's no sign of the Warden.

16

With the total destruction of Mitera, there's no place to return to anymore. The long journey is just starting. /

Ooh,
there are
a lot of
them.

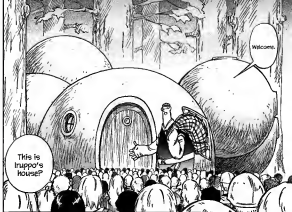

Everyone,
this young man
is trapped from
Sepolia.

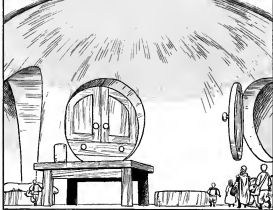

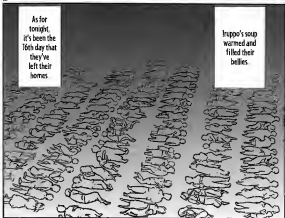

As for tonight, it's been the 16th day that they've left their homes.

Inuppo's soup warmed and filled their bellies.

Still one question remains. Was the Wumba assault of their own volition, or was there someone pulling the strings?

CHAPTER 12

ENTREATY

ストラヴァガンツァ

～異彩の姫～

UNSTAYING
Akira Tori

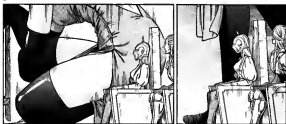

Hey...

What?

I wonder

if we can
fit the whole
town of Mitera
in this room...

... That
would be a
bit too much
I think..

Hahaha.

Have you
gotten a bit
bigger?

That mask,
that mess! It's
been a long time,
Queen Vician!

Hahaha...

King
Torneo.

Vician.

Heh.

My daughter
Clovia wanted to
meet you too.

I lived
with stone
roofs.

A town
with more than
500 years of
History.

That was
litter up
until one
month
ago...

Little by
little, we built
our small, yet
charming, town
up from
scratch.

Milano was suddenly
invaded by a group of
Wumbos in the middle
of the night,
setting the
town into
chaos.

Although
the Wumbos
were start-
ling to ap-
pear nearby
and more
frequently,

But the Wumbas
might come back
for a second
attack.

The rain
provided us with
a break in the
Wumba attack,
so we used that as
an opportunity
to escape.

Only
tempor-
rarily.

THEY'LL
RETURN IF
THEY THINK
THAT THERE
ARE STILL
HUMANS
THERE.

ACTUALLY
IT'S VERY
LIKELY THEY'LL
RETURN TO
MITERA.

PLEASE
LEND US
YOUR
STRENGTH.

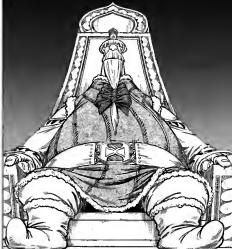

AND
TAKING

THE PEOPLE
OF SEPOYA
ARE JUST
AS STRONG
AS THE
WUMBA.

IF NOT
STRON-
GER

IF WE'VE
THE SUPPORT
OF THE SEPOYA
ARMY WE'LL BE
ABLE TO CLEAR
OUT THE WUMBAS
FROM MITERA.

For that purpose, I'll allow two of my people to accompany you.

First we need to find out if the Wumba are still around.

But we will not send out the Sepolys army.

Very well.

I'll lend you our strength.

Don't do anything rash.

And if the groups of Wumba still remain.

Two...

I don't want to see any more casualties.

15

17

Then
we've
no choice
but to
wait.

It's been
decided.

Can
we rely on
Sepoyas?

In any case,
we can't do
anything if the
Wumbas are
still there.

Please,
calm
down.

I HADDA
GO TSO!

Can't we
just stay
here?

Finally,
some
rest.

Together with the strength of the citizens of Sepoyra, it's time for them to return to Mitera.
The soldiers of Mitera are baring for revenge!

Acquiring the help of the giants of the Sepolyan tribe, Wylan and her party are on their way back to the ruined capital of Mitara.

Are you hungry?

Peppe Mora.

That's why I escaped halfway.

I always decide where I go and what I do on my own.

Who the hell wants to go to a ghost village that no-one knows about?

We brought all the prisoners along with us to Eiders when we excavated.

Weren't you thrown in prison back in Miteras?

...but you escaped...

So I tried to get my share of the food.

And that's when you guys came back.

However, I had trouble getting food...

Well, everyone, let's eat.

BAAA!!!

I only asked if you were hungry.

WH! THAT'S DIRTY!

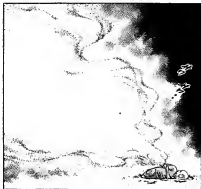

That?

We don't have any bread left to share tonight.

ON HAND OVER THE REEL!

WHY DON'T YOU STOP MOVING!
